

# KEEP CALM AND DONUT WORRY

At times like this we want to assure you that it really is business as usual at Original Foods Baking Co. Our bakers are baking our delicious treats daily and our onsite café remains open.

Although we love having fun at work, we take the health and safety of our customers and staff VERY seriously. We've taken additional steps above and beyond our already high commercial standards of cleanliness and hygiene to outsmart the COVID-19 virus (we hope it's not reading this message!)

Apart from adding some great new songs to our 20-second-minimum-time-handwashing playlist (top tip, don't add 'It's a Small World After All'!) we've put some extra hygiene procedures in place in our factory and onsite café.

In the café, communal items such as salt and pepper shakers, cutlery and sugar can now be found behind the counter and we have banned keep cups (don't worry Planet Earth, hopefully this will be for a short time and our cups are biodegradable). We're also disinfecting tables after each customer and wiping door handles and other hard surfaces regularly. For extra convenience you can phone ahead to order takeaway coffee, sweet treats, salads and meals. Phone 0508 DONUTS (366 887).

Remember the best way to battle any nasties and fight the spread of COVID-19 is good hygiene. If you have a fever, cough or flu-like symptoms, please seek medical advice.

You can keep up-to-date with the NZ Ministry of Health's official recommendations here <https://www.health.govt.nz/our-work/diseases-and-conditions/covid-19-novel-coronavirus>

If you have any questions or concerns, or just want to say hi, we're always here on:
